

FY2023 Network Quality Improvement Plan: Performance Measurement and Reporting
 4th Quarter Report ending 06-30-2023

The Region 3 Behavioral Health Services (Region 3) *Quality Improvement: Performance Measurement and Reporting Initiative* for FY23 is designed to improve and sustain identified satisfaction, access and performance measures for the Region 3 Behavioral Health Services Network. The FY23 initiative covers the timeframe of July 1, 2022-June 30, 2023. Data for several measures are tracked utilizing the Centralized Data System (CDS); therefore, to ensure data accuracy, Network Provider compliance with CDS data requirements will be monitored by Region 3 throughout the year.

Measure	Timeframe	Data Source/ Reporting Responsibility	FY23 4th Quarter	N=
CONSUMER SATISFACTION: Consumer satisfaction will be measured for all behavioral health services (excluding emergency and assessment), across all ages, with the exception of emergency and assessment services. Providers are encouraged to weave these satisfaction questions into their existing consumer satisfaction survey.				
Consumer satisfaction will be measured for all behavioral health services, excluding emergency (EPC, acute, subacute, post commitment, crisis response (youth/adult), co-responder, 24-hour crisis phone, crisis stabilization & social detox) and assessment services. Providers are encouraged to weave these satisfaction questions into their existing consumer satisfaction survey. 1. Accessibility (that is appropriate for the specific service), 2. General satisfaction with services, 3. Would the consumer recommend this service to a friend, OR If the consumer needed assistance again, would they return to this agency?
