

FY2026 Network Quality Improvement Plan: Performance Measurement and Reporting

Second Quarter Report

October 1, 2025 – December 31, 2025

The Region 3 Behavioral Health Services (Region 3) *Quality Improvement: Performance Measurement and Reporting Initiative* for FY26 is designed to improve and sustain identified satisfaction, access and performance measures for the Region 3 Behavioral Health Services Network. The FY26 initiative covers the timeframe of July 1, 2025-June 30, 2026. Data for several measures are tracked utilizing the Centralized Data System (CDS); therefore, to ensure data accuracy, Network Provider compliance with CDS data requirements will be monitored by Region 3 throughout the year.

Measure	Timeframe	Data Source/ Reporting Responsibility	FY26 2nd Quarter	N=
SATISFACTION: Satisfaction of individuals participating in services will be measured for all behavioral health services (excluding emergency and assessment), across all ages, with the exception of emergency and assessment services. Providers are encouraged to weave these satisfaction questions into their existing satisfaction surveys.				
Satisfaction will be measured for all behavioral health services, excluding emergency (EPC, acute, subacute, post commitment, crisis response (youth/adult), co-responder, 24-hour crisis phone, crisis stabilization & social detox) and assessment services. Providers are encouraged to weave these satisfaction questions into their existing satisfaction surveys. 1. Accessibility (that is appropriate for the specific service), 2. General satisfaction with services, 3. Would the individual recommend this service to a friend, OR If the individual needed assistance again, would they return to this agency?	Semi-annually	Provider satisfaction reporting / Network Provider	1. 83.9% 2. 89.7% 3. 89.2%	1425 1585 1568
