** Buffalo County provides \$25,000 for the Buffalo County Jail Diversion program and is used to meet statutory requirement thereby reducing tax match allocations of other counties.

*** Hall County will continue to pass through \$18,000 to Region 3 for their Substance Abuse Prevention Program. This amount is applied to the overall tax match allocation, thereby, reducing tax match allocations of other counties.

After consideration of these amounts, the remaining tax match allocated to each county is based on their pro rata portion of the population.
